

## PLAY SENSE INTERVIEW QUESTIONS - @HOME ONLINE PROGRAM

**To start with – give us a 30 second summary on why you are applying:**

1. Why Play Sense?
2. Why Now?
3. Why Me?

**Let's get into some details!**

Try to keep this short! 30-60seconds on each question should be sufficient:

1. Give us a brief overview of your qualifications and experience (We don't want your whole CV – just give us a glimpse of what you've done and where you are now)
2. What have you done in your working career that has made you feel proud?
3. What do you think is the most interesting or challenging part of working with children?
4. Describe a problem you have faced personally or professionally and how you solved it.
5. How would you describe PLAY? How do we know when a child is really playing?
6. What is your understanding of self-regulation?
7. Describe an activity that you would think a 2 or 3 year old would enjoy and highlight how it would enhance their development.

**Checklist:**

Confirm at the end of your video that you have read through and meet the below criteria:

- I am generally in good health and hardly ever call in sick
- I am computer literate
- I am a good communicator
- I am organised
- I am passionate about children, especially the 2-4yr age group
- I'm flexible and resilient and can adapt quickly when I need to
- I'm confident in front of a camera
- I am patient
- I am good at connecting with people
- I have a strong internet connection and a device that can connect to the internet and has video conferencing capabilities.
